Explanatory Notes

Chart 1 is designed to enable you to read the whole Bible twice a year and the New Testament approximately four times a year

Chart 2 – see over page - is designed so that you can read the Bible in one, two or three years

Each chart is flexible, according to how many of the lists in the chart you take at a time for your daily readings. May the Lord guide you into all truth from His Book, the AV1611 NB If, for any reason, you happen to miss a set of readings, do not feel you have to make up for chapters 'lost' You should feel free to continue on from whichever date you resume reading. The charts are a guide, not a fetish

Chart 2 – To read through the Bible in one, two or three years
For the two-year option, it is suggested that Lists 1, 2 be read in Year 1 and List 3 in Year 2
